## Landscapes, castles and rivers between Pomarance and the Berignone Nature Reserve (route variant)

Type: Bicycle - MTB | Difficulty: MC/OC | → 3 km

Località di partenza e arrivo: -

Fully accessible route with little or no signs.

It is a variant of the route "Landscapes, castles and rivers between Pomarance and the Berignone Nature Reserve".

This variant features a much shorter ring-route as it does not pass through the Berignone Nature Reserve but only passes close to it in the optional route detour towards the Masso delle Fanciulle.
